Addendum 02

Supplier Inquiry and Response

Q1. I noticed on this project that there is a requirement for “Landscaping, Grading, and Beatification” classification for this project.

My question is, as the GC, we have a license with multiple classifications, but not this specific one. Could we still bid on this as a GC if we can confirm that we have a “subcontractor” with that classification assisting us with the execution of the work?

A1. Supplier or its subcontractor(s) are required to possess and maintain the license in order to submit a bid response.
