Please find the following addendum to the below-mentioned BID.

Addendum No.: 2

Bid#: 26-20-2

Project Name: Goldenwood Drive Drainage

Bid Due Date: Tuesday, May 5, 2026

QUESTIONS & ANSWERS:

Question 1. Specifications call for all work to be completed in 30 days. Lead time for materials in this diameter could take 2-3 weeks for delivery once ordered. Once materials are ordered, can a temporary halt to time be issued until materials are on hand for installation?

Answer 1. Yes.

Question 2. Engineer's estimate for this work is \$217k. If the bid amounts exceed the estimated amount, how will that be handled? Will bids be thrown out and have to re-bid?

Answer 2. If the bid amount exceeds the available budget, all bids will be rejected, and the bidding documents will be re-evaluated, and the project will be rebid.

Question 3. Can you tell me what water system operates the water system on Goldenwood Dr and what will the contractors need to do to draw water from those hydrants?

Answer 3. It is the responsibility of the Contractor to make these determinations.
