

1. Is the school looking for both an accident/sickness plan Or one meeting the ACA requirements?
Please clarify benefit requirements that the quote should meet.

We are seeking quotes for international student accident and sickness coverage that meets applicable F-1/J-1 requirements. ACA-compliant coverage is not specifically required unless proposed as an alternative option.

2. For claim history, do you have a list of top claimed services for each year?

We do not have a list of this available.

3. Who will be managing the waiver for SELU?

The Office of Admissions will be managing the waiver

4. Please share the breakdown of your total insured students in the age groups as well as expected breakdown per school for 2026-2027.

All students are under 25, about 175, the same expected for 2026-2027

5. Does the school have athletes or require athletic coverage?

Our athletes and athletic coverage is a separate policy and managed completely separately.

6. Please provide a copy of the most recent plan brochure from the school's current provider

Link to brochure <https://www.southeastern.edu/wp-content/uploads/omni-misc-files/admin/international/assets/2023brochure.pdf>

7. What is the waiver criteria for international students? Is it different than the current requirements?

Waiver criteria: All acceptable insurance plans must include the following:

1. Policy minimum of \$100,000 per Accident and Sickness for F-1 and J-1 and J-2 visa holders (Required by Department of State regulations)
 2. Minimum \$25,000 benefit for Repatriation Coverage
 3. Minimum \$50,000 benefit for Medical Evacuation Coverage
 4. Maximum deductible amount of \$500
 5. Policy benefits must meet or exceed those set forth in the Southeastern endorsed insurance plan
8. Please clarify what should be provided in the empty boxes on page 7 and 8 in the RFP.

These boxes should have the cost for the insurance if a student chose to have coverage for themselves plus a spouse and children in the various options presented.
