**CODE OF SILENCE:**

From the date the ITB is issued; through the time the Agreement is finally awarded by NOLA-PS Elected Officials, Proposers shall not contact any Representatives of NOLA-PS, nor the District Staff, nor their Advisors or Consultants with respect to this ITB, or ITB process, other than to submit questions or protest in accordance with the Instructions to Proposers therein. This prohibition does not apply to questions or comments sent in writing to the Director of Procurement, or questions made at Pre-Proposal conferences, in presentations before evaluation committees, or during contract negotiations. Proposers who violate this Code of Silence may be deemed non-responsive, and their proposal may be rejected for cause.

**INVITATION TO BID DOCUMENTS:** A complete set of Invitation to Bid documents shall be used in preparing proposals; neither the Orleans Parish School Board nor its representatives assume any responsibility for errors or misinterpretations resulting from the use of incomplete sets of Invitation to Bid Documents.

The forms furnished as part of the specifications **MUST** be used for filing of Invitation to Bids and must be signed by the proposer. **No proposals/bids will be considered unless made on the forms provided and must not be detached from the proposal document of which it forms a part.** Failure to follow these instructions may result in your proposal being disqualified.

**OBJECTION TO THE AWARD:** If any Proposer who submitted a proposal has an objection to the award of the contract to the Selected Proposer, the objecting Proposer shall furnish that protest, in writing, to the Executive Director of Procurement (or Designee) within ten (10) Business Days of the notification of non-award. The protest shall describe in detail the basis for the protest and shall request a determination under this section of the Instructions to Proposers.

If a protest is filed in a timely fashion, the Executive Director of Procurement (or Designee) will review the basis for the protest and relevant facts under such terms and conditions as he considers proper. Upon completion of the review, the Executive Director of Procurement (or Designee) shall submit applicable findings and recommendations to the Superintendent and/or Chief Financial Officer, who shall then review the matter under such terms and conditions, as deemed proper. Upon receipt of authority to act from the Superintendent or NOLA-PS, the Executive Director of Procurement (or Designee) will notify those Proposers involved of its decision. The decision shall be final and binding on the objecting Proposer.

**WITHDRAWAL OF BID:** Any bid may be withdrawn if clear and convincing sworn, written evidence of obvious mechanical, clerical or mathematical error is furnished by the proposer to the Executive Director of Procurement within 48 hours of proposal receipt.

**SUPPLIER PERFORMANCE AND EVALUATION:** The proposer, vendor, service provider and/or supplier performance process will involve evaluating the proposer, vendor, service provider and/or supplier's overall quality status, as well as evaluating the quality of each material or service the NOLA-PS wishes to purchase. Prior to the invoice submission, the proposer, vendor, service provider and/or supplier, shall meet with a purchasing representative to discuss and review deliverables and timeline events for said services. Contract with automatic renewals will be based upon the NOLA-PS evaluating and analyzing proposer, vendor, service provider, and/or supplier performance.

**DEBARMENT AND SUSPENSION:** To ensure that the Orleans Parish School Board does not enter into a contract with a debarred or suspended company or individual, each responsive proposer must include a certification statement with each bid. By signing the certification statement, the proposer certifies that neither it nor any of its principals (e.g., key employees) have been proposed for debarment, debarred or suspended by a Federal Agency. It is the responsibility of each proposer to sign the attached certification statement and submit it with the bid. Failure to comply with this requirement will cause your bid to be disqualified and declared non-responsive.

**BACKGROUND CHECK:** Contractor will not employ any person to provide services who has been convicted, or pled nolo contendere to, any one of the crimes listed in the Louisiana Child Protection Act. La R.S. 15:587.1 (C). Criminal History Record must be obtained by contractor for all employees to be hired and shall be retained during the duration of the employment. Records are to be updated on an annual basis.

**PERFORMANCE INVESTIGATIONS:** As part of the proposal evaluation process, the NOLA-PS may make inquiries and investigations, including verbal or written references from the firm's customers, to determine the ability of the firm to provide service.

**EMPLOYMENT:** It is understood that all employees will be employees of the successful firm(s), including but not limited to the successful firm's subcontractors, partners, etc.

**NOTICE TO OFFEROR:** The NOLA-PS shall consider the intentional employment by the selected firm of unauthorized aliens in violation of U.S. immigration laws cause for unilateral cancellation of the contract resulting from this ITB.

**BID FORMAT:** Bids should be prepared simply but completely, providing a straightforward, concise description of capabilities to satisfy the requirements of the ITB. Please carefully read Sections as outlines within the Table of Contents. Emphasis should be on completeness and clarity of content.

**SELECTION:** Selection shall be made of one or multiple firm(s) deemed to be fully qualified and best suited among those submitting proposals on the basis of the evaluation factors contained in this ITB. Fee structure/pricing will be considered, but will be one among many determining factors. The NOLA-PS may cancel this ITB, reject proposals or any portion thereof at any time prior to an award, and is not required to furnish a statement of the reason why a particular qualification was not deemed to be the most advantageous. Should the NOLA-PS determine in writing and in its sole discretion the firm(s) that is fully qualified, or that one firm is clearly more highly qualified than the others under consideration, a contract may be awarded to that firm.

**DISADVANTAGED BUSINESS ENTERPRISE (DBE) PROGRAM - (WAIVED)**

**COMPUTED COST SCORE:**

**There is no cost associated with this project.**

**PURCHASES USING FEDERAL GRANT FUNDS (2 C.F.R. 200).**

When NOLA-PS seeks to procure goods and services using funds under a federal grant or contract, specific federal laws, regulations, and requirements may apply in addition to those under state law. All inquiries will be answered in the form of an addendum after the pre-proposal meeting. Whenever possible, specifications and proposal terms and conditions are designed to accomplish this objective, consistent with the necessity to satisfy the needs of the NOLA-PS and to guarantee an economically sound solution. The signature on this proposal guarantees that the prices quoted have been established without collusion with other firms and without effort to preclude the NOLA-PS from obtaining the best possible competitive value. The quantities of food or supplies specified in the Schedule are estimates based on previous usage. However, any contract established as a result of the invitation will not obligate the Orleans Parish School Board to purchase any quantity in excess of actual requirements and the availability of funds. **Bidders must be aware that the volume of purchases of any item may be influenced by the availability of "free" USDA Commodities.** Contractors are advised to monitor the status of USDA Commodities.

Any order issued during the effective period of this contract and not completed within that period shall be completed by the contractor within the time specified in the order. The contract shall govern the contractor's and the Orleans Parish School Board's rights and obligations with respect to that order to the same extent as if the order were completed during the contract's effective period; provided, that the contractor shall not be required to make any deliveries under this contract after 60 days.

26. **BUY AMERICAN PROVISION REQUIREMENTS:**

Vendors shall comply with the Buy American Provision for contracts that involve the purchase of food, USDA Regulation (7 CFR Part 250 and 7 CFR Part 210). Vendors are required to utilize, to the maximum extent practicable, domestic commodities and products.

School Food Authorities must comply with the Buy American Provision when purchasing food products served in school meals programs. The Orleans Parish School Board participates in the National School Lunch Program and the National School Breakfast Program and is required to use the nonprofit food service funds, to the maximum extent practical, to buy domestic commodities or products for program meals. A "domestic commodity or product" is defined as one that is either produced in the United States or is processed in the United States substantially using agricultural commodities that are produced in the United States as provided in 7 CFR Part 210.21 (d). "Substantial" means that over 51 percent of the final processed product consists of agricultural commodities that were grown domestically in the United States.

Products from Guam, American Samoa, Virgin Islands, Puerto Rico, and the Northern Mariana Islands are allowed under this provision as territories of the United States.

There are limited exceptions to the Buy American Provision and they are to be used as a last resort. The exceptions are:

- The product is not produced or manufactured in the U. S. in sufficient and reasonable available quantities of a satisfactory quality; or
- Competitive bids reveal the costs of a U. S. product are significantly higher than the non-domestic product.
- If a non-domestic product is used, the School Food Authority must keep documentation to justify the exception.

**Note this Requirement: The “Buy American Provision Certification” Form included with this bid must be completed, signed and returned with this bid for the bid to be considered.**

1. Any substitution of a non-domestic product for a domestic product (which was originally a part of the solicitation), must be approved, in writing, by the Child Nutrition Director, prior to the delivery of the product to the School.
2. Any non-domestic product delivered to the School, without the prior, written approval of the Child Nutrition Director, will be rejected.
3. Distributor must affirm their willingness to assert their best and reasonable efforts to ensure compliance with this federal rule.

27. **PIGGYBACKING ON BID**

The Orleans Parish School Board will allow up to two (2) school food authorities or public agencies to piggyback on this bid contract as long as all parties agree, i.e. the school district, the awarded vendor, and the district or agency desiring to piggyback. If all parties agree, then signatures of all parties involved must be obtained on a statement of agreement to piggyback.

3. The prospective lower tier participant shall provide immediate written notice to the person to whom this proposal is submitted if at any time the prospective lower tier participant learns that its certification was erroneous when submitted or has become erroneous by reason of changed circumstances.
