Addendum No. 1

Your reference is directed to the Request for Proposal for: **2026-SWB-10 Professional and Technical Assistance for Title V Air Permit Compliance** for the Sewerage and Water Board of New Orleans which proposals are due on **June 3, 2026**, at **11:00 a.m.** CST.

This addendum provides for the following:

- a) Responses to Questions

Responses to Questions

1. Should Task 5 be priced based on the worst-case cost of the listed tasks in Section 2.2 (permitting an additional turbine similar in capacity to Turbine No. 7, moving auxiliary generators to new locations, and elimination of Emergency Backup Generators EMD 1-5)?

Answer: Yes, proposer should price Task 5 based on all optional work. Since this work is optional, there is no guarantee this work will be required. However, as noted in the specifications in the bid, the proposal should include an outline of optional work listed as examples in Section 2.2 and budgetary figures should be included in the cost proposal. The proposer also has the option to suggest additional work not included in the examples listed for Task 5 in Section 2.2.

2. Section 3.2 does not include cost as part of the 100-point scoring criteria. Will proposal cost be a factor in selection of a proposal?

Answer: No, cost will not be a factor in the selection of a proposal.

3. Does Year 1 refer to a 12-month period from the time of PO issuance, or is it based on calendar year? For example, July 2026 through June 2027 versus July 2026 through December 2026.

Answer: Year 1 will be based on the date of issuance of the Purchase Order.

The changes, additions, and/or deletions included herein are hereby made part of the solicitation documents for 2026-SWB-10 Professional and Technical Assistance for Title V Air Permit Compliance, as fully and completely as if the same were set forth therein. The bidder shall be responsible for having knowledge of all addenda issued for this RFP.
