#### **1.2 Interpretation of Documents and Prior Approvals:**

If any person contemplating submitting a bid is in doubt of the meaning of any part of the specifications, plans or other proposed contract documents and/or desired approval of "or equal" products, they may submit to Michael Williams e-mail at [MWIL34@LSUHSC.EDU](mailto:MWIL34@LSUHSC.EDU) or fax to 504-717-2901 a written request for an interpretation or prior approval not later than NOON on Thursday, May 28, 2026. ## **ATTACHMENT C: EQUAL EMPLOYMENT OPPORTUNITY CLAUSE**

As required by U.S. Labor Department, Office of Federal Contract Compliance, Section 60-1.4.

During the performance of this contract, the successful bidder (service provider or vendor) agrees as follows:

- (1) The Service provider will not discriminate against any employee or applicant for employment because of race, color, religion, sex, or national origin. The Service provider will take affirmative action to ensure that applicants are employed, and that employees are treated during employment, without regard to their race, color, religion, sex, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer, recruitment advertising, layoff or termination, rates of pay or other forms of compensation, and selection for training, including apprenticeship. The Service provider agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided by the contracting offer setting forth the provision of this non-discrimination clause.
- (2) The Service provider will, in all solicitations or advertisements for employees placed by or on behalf of the Service provider, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex or national origin.
- (3) The Service provider will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided by the agency contracting officer, advising the labor union or workers' representative of the Service provider's commitments under section 202 of Executive Order 11246 of September 24, 1965, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- (4) The Service provider will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- (5) The Service provider will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by the rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access of his books, records, and accounts by the contracting agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- (6) In the event of the Service provider's noncompliance with the non-discrimination clauses of this contract or with any of such rules, regulations, or orders, this contract may be canceled, terminated or suspended in whole or in part and the Service provider may be declared ineligible for further Government contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- (7) The Service provider will include the provisions of paragraphs (1) through (7) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subservice provider or vendor. The Service provider will take such action with respect to any subcontract or purchase order as the contracting agency may use direct as a means of enforcing such provisions including sanctions for noncompliance: Provided, however, that in the event the Service provider becomes involved in, or is threatened with, litigation with the subservice provider or vendor as a result of such direction by the contracting agency, the Service provider may request the United States to enter into such litigation to protect the interests of the United States.

## **Assurance**

The bidder (offeror or applicant) assures Board of Supervisors of Louisiana State University and Agricultural and Mechanical College that he does not and will not maintain or provide for his employees any segregated facilities at any of his establishments, and that he does not and will not permit his employees to perform their services at any location, under his control, where segregated facilities are maintained. The bidder (offeror or applicant) understands and agrees that maintaining or providing segregated facilities for his employees or permitting his employees to perform their services at any locations, under his control, where segregated facilities are maintained is a violation of the equal opportunity clause required by Executive Order 11246 of September 24, 1965.

The bidder (offeror or applicant) further understands and agrees that a breach of the assurance herein contained subjects him to the provisions of Orders of the Secretary of Labor dated May 9, 1967, and the provisions of Orders of the Secretary of Labor dated May 9, 1967, and the provisions of equal opportunity clause enumerated in contract between Board of Supervisors of Louisiana State University and Agricultural and Mechanical College and bidder (offeror or applicant).
