Blanket Order Contract:

Items are to be called for by the Using Agency as needed. No shipments are to be made until the Agency calls or otherwise submits an order for shipment of a specific quantity. Quantities are estimated, and they may be increased or decreased as needed throughout the contract period. Contractor must be able to obtain and supply the item(s) at their bid price for the entire contract period and within the delivery timeframe provided for on their bid. Unused quantities must not be invoiced and will not be paid.

Method of Award:

It is the intent of the State to award this contract on an all-or-none basis to the overall lowest responsive, responsible bidder meeting the specifications. The State further reserves the right to reject individual line items from the award.
