Addendum No: (1)

Bid No: 40006-055
Bid Name: Concrete Services
Bid Opening Date: July, 14, 2026 at 2:00PM CST

Addendum No: 1
Date Issued: July 6, 2026

This addendum is hereby officially made a part of the referenced solicitation. The question submitted has been answered and specifications clarified as follows.

1.	Under the classifications to bid on this project in the bid packet shows that - Bidder is required to be commercially licensed and hold either a Concrete Construction Excluding Highways, Streets and Bridges License under the subclassification of Specialties or a Driveways, Parking Areas, Asphalt & Concrete license as a subclassification under Building Construction." A Driveways, Parking Areas, Asphalt & Concrete license is also a subclassification under Highway, Street and Bridge Construction. Will Highway, Street and Bridge Construction license be acceptable and approve to bid on this contract?	The subclassification of Driveways, Parking Areas, Asphalt and Concrete under Highway, Street & Bridge Construction is acceptable. The license provided must list the specific subclassification on it. A license which only lists Highway, Street and Bridge Construction without the subclassification is not. You must have the subclassification to qualify.
