ADDENDUM NO. 01

Your reference is directed to RFx Number 3000026404 for the Invitation to Bid (ITB) for the State of Louisiana – Live Triploid Grass Carp for LDWF, which is currently scheduled to open at 10:00 AM CT on July 22, 2026.

The following are the Vendor's Inquiries received by the deadline date of July 08, 2026, and the State's Responses:

Vendor's Inquiry #1: As stated in Attachment B - Specifications, it notes the breakdown of the requested 4000 grass carp to be delivered across 3 main sectors (various public waterbodies, various urban waterbodies, and Booker Fowler Fish Hatchery). For the two sectors listed as various waterbodies, do you have a location breakdown for these? Knowing these locations will help us route to all the stocking areas to be more competitive on overall delivery costs.

State's Response #1: See graph below:

Waterbody	Parish	Estimated Quantity
New Orleans City Park Lake	Orleans	100
Henderson Lake	St. Martin	300
Burbank Pond	E. Baton Rouge	40
Parc Natchitoches	Natchitoches	20
Beechwood and Monroe Fish Hatchery	Rapides and Ouachita	120
Unexpected/unknown		Unknown but may be needed if vegetation issues in waterbodies occur

Vendor's Inquiry #2: Second question, are these fish to be delivered all at once or in multiple stocking events? If it is multiple stocking events, do you have a rough schedule, frequency, and carp quantity breakdown for each event?

State's Response #2: The fish will likely be delivered through multiple stocking events between October and January. Each location may receive its full allotted quantity during a single stocking event. However, the specific stocking dates and times will be determined by the applicable district manager based on the condition of the waterbody and its ability to support fish health at the time of stocking.

A detailed schedule and quantity breakdown for each stocking event are not available at this time.

Vendor's Inquiry #3: Also, do you have any public record information on what the awarded bid was for this work in previous years?

State's Response #3: The current Contractor is Keo Fish Farm Inc, and the current contract pricing is available at:

All else remains as on the original Invitation to Bid.

THIS ADDENDUM IS HEREBY OFFICIALLY MADE A PART OF THE REFERENCED SOLICITATION.
