If necessary, another addendum will be issued to address the final questions received. Thereafter, all proposal documents, including but not limited to the specifications, terms, conditions, plans, etc., will stand as written and/or amended by any addendum issued as a result of the final inquiry period.

Any person aggrieved in connection with the specifications contained therein shall submit questions or concerns in writing to the Director of Purchasing (see Sect. 1.46) during the bid period. Otherwise, this will be construed as acceptance by the bidders that the intent of the specifications is clear and that competitive proposals may be submitted as specified herein. If it is later determined that the CONTRACTOR did not comply with 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C, in addition to remedies available to CITY-PARISH, the Federal Government may pursue available remedies, including but not limited to suspension and/or debarment.
- d. The CONTRACTOR agrees to comply with the requirements of 2 C.F.R. pt. 180, subpart C and 2 C.F.R. pt. 3000, subpart C while this offer is valid and throughout the period of any contract that may arise from this offer. The CONTRACTOR further agrees to include a provision requiring such compliance in its lower tier covered transactions.
- e. The CONTRACTOR shall submit a Federal Debarment Certification to assure compliance with the aforementioned regulation.

9. **Byrd Anti-Lobbying Act.** Contractors that apply or bid for an award exceeding \$100,000.00 must file the required certification under the Byrd Anti-Lobbying Amendment (31 U.S.C. 1352).

- a. The CONTRACTOR will be expected to comply with Federal statutes required in the Anti-Lobbying Act. Contractors who apply or bid for an award shall file the required certification. Each tier certifies to the tier above that it will not and has not used Federal appropriated funds to pay any person or organization for influencing or attempting to influence an officer or employee of any Agency, a member of Congress, officer or employee of Congress, or an employee of a member of Congress in connection with obtaining any Federal contract, grant, or any other award covered by 31 U.S.C. § 1352. Each tier shall also disclose any lobbying with non-Federal funds that takes place in connection with obtaining any Federal award. Such disclosures are forwarded from tier to tier up to the recipient.

10. **Procurement of Recovered Materials (2 C.F.R. 200.322).** A non-Federal entity that is a state agency or agency of a political subdivision of a state and its CONTRACTOR must comply with section 6002 of the Solid Waste Disposal Act, as amended by the Resource Conservation and Recovery Act. The requirements of Section 6002 include procuring only items designated in guidelines of the Environmental Protection Agency (EPA) at 40 CFR part 247 that contain the highest percentage of recovered materials practicable, consistent with maintaining a satisfactory level of competition, where the purchase price of the items exceeds \$10,000 or the value of the quantity acquired during the preceding fiscal year exceeded \$10,000; procuring solid waste management services in a manner that maximizes energy and resource recovery; and establishing an affirmative procurement program for procurement of recovered materials identified in the EPA guidelines.
11. **Surveillance Services or Equipment.** A non-Federal entity and subrecipients who procure telecommunications and video surveillance services or equipment by obligating or expending loan or grant funds must comply with the provisions of 2 C.F.R. §200.216.
- a. Specifically, (a) recipients and subrecipients are prohibited from using grant funds to:

As described in *Public Law 115-232*, section 889, covered telecommunications equipment is telecommunications equipment produced by Huawei Technologies Company or ZTE Corporation (or any subsidiary or affiliate of such entities). (ii) Telecommunications or video surveillance services provided by such entities or using such equipment. (iii) Telecommunications or video surveillance equipment or services produced or provided by an entity that the Secretary of Defense, in consultation with the Director of the National Intelligence or the Director of the Federal Bureau of Investigation, reasonably believes to be an entity owned or controlled by, or otherwise connected to, the government of a covered foreign country. (b) In implementing the prohibition under *Public Law 115-232*, section 889, subsection (f), paragraph (1), heads of executive agencies administering loan, grant, or subsidy programs shall prioritize available funding and technical support to assist affected businesses, institutions and organizations as is reasonably necessary for those affected entities to transition from covered communications equipment and services, to procure replacement equipment and services, and to ensure that communications service to users and customers is sustained. (c) See *Public Law 115-232*, section 889 for additional information. (d) See also § 200.471.

12. **Domestic Preferences for Procurement.** As appropriate and to the extent consistent with law, the parties should, to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products, or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products). The requirements of this section must be included in all subawards including all contracts and purchase orders for work or products under this award.

- a. For purposes of this section: (1) “Produced in the United States” means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States. SOCIALLY AND ECONOMICALLY DISADVANTAGED BUSINESS ENTERPRISE INCLUSION

The City-Parish's Socially and Economically Disadvantaged Business Enterprise Program ("the Program") is made part of this contract and incorporated hereto as if copied in extensor. For these services, the EBR Parish Purchasing office has directed a review of the scope of work **and has established no goal will be set based on the contract amount. However, SEDBE participation is strongly encouraged.**

PART I – POLICY/ COMPLIANCE

(A) The City-Parish strongly encourages the acquisition of goods and services from and direct participation of Socially and Economically Disadvantaged Business Enterprise ("SEDBE"). The term Socially and Economically Disadvantaged Business ("SEDB") shall have the meaning set forth in the City-Parish's Socially and Economically Disadvantaged Business Enterprise Certification Program.

The Program is a race and gender-neutral program intended to provide additional contracting and procurement opportunities for certified small, disadvantaged, woman-owned, minority-owned, veteran-owned, and service-disabled veteran-owned business enterprises by encouraging contractors who receive City-Parish contracts to use good-faith efforts to utilize such certified entities in the performance of those contracts. The City-Parish desires to achieve, to the greatest extent possible, commercially meaningful and useful participation by SEDBs. By providing equitable opportunities for SEDBs, the City-Parish derives multiple benefits, including contributing to the economic vitality of our communities and ensuring a broader selection of competitively priced goods and services.

Contractor should present a responsible plan that provides for participation of qualified SEDBs. Participation shall be counted toward meeting the contract goals only by business entities certified under the City-Parish's Socially and Economically Disadvantaged Business Enterprise Certification Program. The direct participation goal can be achieved through direct ownership, joint venture participation, owner/operator agreements, or subcontract agreements for participation.

If the Contractor does not meet the full SEDB goal, then written documentation must be provided showing their good faith efforts to secure SEDB participation, the unavailability of potential SEDB firms, and provide justification as to why such goals cannot be met that is found to be acceptable to the SEDB Liaison Officer.

(B) **FAILURE TO COMPLY WITH SEDB REQUIREMENTS:** All City-Parish contract performers (Prime Contractors, Subcontractors, etc.) are hereby notified that failure to carry out the SEDB obligation, as set forth, shall constitute a breach of contract. The breach of contract will be reviewed by City-Parish which may result in termination of the contract or other remedies deemed appropriate for the given situation.

(C) **SUBCONTRACTS:** All Prime Contractors, and Subcontractors, hereby shall include the following clauses in all contracts that offer further subcontracting opportunities.

The Contractor or Subcontractor shall not discriminate on the basis of race, color, national origin, or sex in the performance of this contract. The Contractor shall carry out applicable requirements of City-Parish's Socially and Economically Disadvantaged Business Enterprise Program in the award and administration of City-Parish contracts. Failure by the Contractor to carry out these requirements is a material breach of this contract, which may result in the termination of this contract or such other remedy as the recipient (City-Parish) deems appropriate.

The Prime Contractor agrees to pay each Subcontractor under this contract for satisfactory performance of its contract prior to submitting an invoice to the City-Parish for request for payment. This payment will be documented on the Contractor's Monthly Report form that is submitted with each payment request. The Prime Contractor agrees further to return retainage payments to each Subcontractor within 14 days after the Subcontractor's work is satisfactorily completed. Any delay or postponement of payment from the above referenced time frame may occur only for good cause. This clause applies to both SEDB and non-SEDB Subcontractor(s).

(D) AWARD OF SEDB SUBCONTRACTS: The Contractor shall, no later than three (3) business days from the award of a contract, execute formal contracts or purchase orders with the SEDB (s) included on Form 1.

(E) COUNTING SEDB PARTICIPATION: City-Parish will count SEDB participation toward overall and contract goals as provided in City-Parish's Socially and Economically Disadvantaged Business Enterprise Program ("the Program"). City-Parish will only count SEDB participation by those SEDBs performing commercially useful functions. City-Parish Purchasing Division will not count the participation of SEDB Subcontractors toward a Contractor's final compliance with its SEDB obligations on a contract until the amount being counted has actually been paid to the SEDB.

The Contractor may count its entire expenditure to SEDB manufacturers (i.e., a supplier that produces goods from raw materials or substantially alters them before resale). The Contractor may count sixty percent (60%) of its expenditures to SEDB suppliers that are not manufacturers, provided that the SEDB supplier performs a commercially useful function in the supply process.

A Contractor shall not count the value of any payment made to an SEDB for work that was further subcontracted out by the SEDB to a non-SEDB.

PART II – PROCEDURE TO DETERMINE QUALIFICATION STATEMENT OR PROPOSAL COMPLIANCE

(A) ELIGIBILITY OF SEDBs: To be counted toward the participation Goals pursuant to the Program, an SEDB must be certified by the City-Parish at the time a bid or proposal is submitted. The fact that an SEDB is certified does not necessarily mean that it has the qualifications and experience for the type of work required by any particular Contract. The responsibility for determining whether an SEDB has the qualifications and experience for the type of work required by the Contract rests with the Contractor. To be deemed an SEDB certified entity, firms must complete the City-Parish's certification process. Only SEDB certified firms under the City-Parish at the time the Bid opening will count toward the SEDB goal.

(B) REPORTING FORMS 1, 1A, AND 2: The following fully completed forms shall be furnished to the City-Parish on a monthly basis. The forms shall have all blank spaces filled in completely and correctly. These forms are as follows:

FORM 1 – SEDB RESPONSIVENESS FORM (copy attached): It is the obligation of the Respondent to make good faith efforts to meet the SEDB goal. Respondents can demonstrate their good faith efforts either by meeting the contract goal or by documenting good faith efforts taken to obtain SEDB participation. The Form 1 shall accurately detail the work proposed by the Respondents to be performed by Respondent and all entities participating in the project and, if it is a bid or proposal, the percent value of that work. If a Respondent is unable to fully meet the SEDB goal of this contract, the Respondent shall submit a Form 2 form and all documentation demonstrating the good faith efforts made to comply with the SEDB requirements.

FORM 1A - REQUIRED PARTICIPATION QUESTIONNAIRE FORM (copy attached): Form 1A shall accurately detail the work to be performed by each and every firm participating in the project. A Form 1A must be submitted for the Contractor and for each Subcontractor included on Form 1. In addition, each participating SEDB firm must submit a current letter of SEDB certification along with its Form 1A.

FORM 2 - Good Faith Efforts (copy attached): Form 2 is only required when the prime firm is unable to fully meet the SEDB contract goal. Form 2 shall provide documentation of good faith efforts made to obtain SEDB participation. Form 2 must be accompanied by supporting documentations such as, but not be limited to, phone logs, facsimiles, and e-mail correspondence with potential SEDB firms. Further explanation of good faith efforts may be found in the Instructions for Form 2. It is up to City-Parish or its Designee to make a fair and reasonable judgment whether a Respondent made adequate good faith efforts to achieve the contract goal.

FORM 3 - Monthly Utilization/Participation SEDB Report (copy attached): Form 3 shall be submitted to the Field Engineer along with monthly payment requests and shall accurately represent the amount paid to SEDB Subcontractors during that invoice period. This form must be submitted with every monthly invoice regardless of the amount of payment or lack of payment. The form shall be signed by the Contractor and the SEDB Subcontractor(s) if payment has been made for that month. SEDB participations will not be counted toward the Contractor's commitment until payment has been rendered to the SEDB. Failure to submit the required reports may result in withholding of payment or partial payments to the Contractor until the required forms are submitted.

CITY OF BATON ROUGE AND PARISH OF EAST BATON ROUGE
Form 2 Good Faith Efforts INSTRUCTIONS

If required, attach a completed Form 2 and supporting documents to establish that Good Faith Efforts were undertaken to secure SEDB participation:

The following is a list of types of actions which you should consider as part of the Contractor's good faith efforts to obtain SEDB participation. It is not intended to be a mandatory checklist, nor is it intended to be exclusive or exhaustive. Other factors or types of efforts may be relevant in appropriate cases.

- A. Conducting market research to identify small business contractors and suppliers and soliciting through all reasonable and available means the interest of all certified SEDBs that have the capability to perform the work of the contract. This may include attendance at pre-bid and business matchmaking meetings and events, advertising and/or written notices, posting of Notices of Sources Sought and/or Requests for Proposals, written notices or emails to all SEDBs listed in the City's directory of transportation firms that specialize in the areas of work desired (as noted in the SEDB directory) and which are located in the area or surrounding areas of the project. The Contractor should solicit this interest as early in the acquisition process as practicable to allow the SEDBs to respond to the solicitation and submit a timely offer for the subcontract. The Contractor should determine with certainty if the SEDBs are interested by taking appropriate steps to follow up initial solicitations.
- B. Selecting portions of the work to be performed by SEDBs in order to increase the likelihood that the SEDB goals will be achieved. This includes, where appropriate, breaking out contract work items into economically feasible units (for example, smaller tasks or quantities) to facilitate SEDB participation, even when the Contractor might otherwise prefer to perform these work items with its own forces. This may include, where possible, establishing flexible timeframes for performance and delivery schedules in a manner that encourages and facilitates SEDB participation.
- C. Providing interested SEDBs with adequate information about the plans, specifications, and requirements of the contract in a timely manner to assist them in responding to a solicitation with their offer for the subcontract.
- D. Negotiating in good faith with interested SEDBs. It is the Contractor's responsibility to make a portion of the work available to SEDB subcontractors and suppliers and to select those portions of the work or material needs consistent with the available SEDB subcontractors and suppliers, so as to facilitate SEDB participation. Evidence of such negotiation includes the names, addresses, and telephone numbers of SEDBs that were considered; a description of the information provided regarding the plans and specifications for the work selected for subcontracting; and evidence as to why additional Agreements could not be reached for SEDBs to perform the work.
- E. A Contractor using good business judgment would consider a number of factors in negotiating with subcontractors, including SEDB subcontractors, and would take a firm's price and capabilities as well as contract goals into consideration. However, the fact that there may be some additional costs involved in finding and using SEDBs is not in itself sufficient reason for a Contractor's failure to meet the contract SEDB goal, as long as such costs are reasonable. Also, the ability or desire of a prime contractor to perform the work of a contract with its own organization does not relieve the Contractor of the responsibility to make good faith efforts. Prime contractors are not, however, required to accept higher quotes from SEDBs if the price difference is excessive or unreasonable.

- F. Not rejecting SEDBs as being unqualified without sound reasons based on a thorough investigation of their capabilities. The contractor's standing within its industry, membership in specific groups, organizations, or associations and political or social affiliations (for example union vs. non-union status) are not legitimate causes for the rejection or non-solicitation of bids in the contractor's efforts to meet the project goal. Another practice considered an insufficient good faith effort is the rejection of the SEDB because its quotation for the work was not the lowest received. However, nothing in this paragraph shall be construed to require the Contractor to accept unreasonable quotes in order to satisfy contract goals.
- G. Contractor's inability to find a replacement SEDB at the original price is not alone sufficient to support a finding that good faith efforts have been made to replace the original SEDB. The fact that the contractor has the ability and/or desire to perform the contract work with its own forces does not relieve the contractor of the obligation to make good faith efforts to find a replacement SEDB, and it is not a sound basis for rejecting a prospective replacement SEDB's reasonable quote.
- H. Making efforts to assist interested SEDBs in obtaining bonding, lines of credit, or insurance as required by the recipient or contractor.
- I. Making efforts to assist interested SEDBs in obtaining necessary equipment, supplies, materials, or related assistance or services.
- J. Effectively using the services of available minority/women/veteran community organizations; minority/women/veteran contractors' groups; local, State, and Federal minority/women/veteran business assistance offices; and other organizations as allowed on a case-by-case basis to provide assistance in the recruitment and placement of SEDBs.

Guidance for Removal and/or Substitution of a SEDB Firm

Prime contractor must receive prior written consent from the City -Parish before terminating a SEDB subcontractor listed in response to the City-Parish Purchasing Division solicitation (or an approved substitute SEDB firm). This includes, but is not limited to, instances in which a prime contractor seeks to perform work originally designated for a SEDB subcontractor with its own forces or those of an affiliate, a non-SEDB firm, or with another SEDB firm. All requests must be accompanied by documentation of good faith efforts to maintain the SEDB commitment percentage on the total contract value.

The City-Parish Purchasing-SEDBE Division may provide written consent only if it agrees that the prime contractor has Good Cause to terminate the SEDB firm. Good Cause includes the following circumstances:

1. The listed SEDB subcontractor fails or refuses to execute a written contract;
2. The listed SEDB subcontractor fails or refuses to perform the work of its subcontract in a way consistent with normal industry standards. Provided, however, that good cause does not exist if the failure or refusal of the SEDB subcontractor to perform its work on the subcontract results from the bad faith or discriminatory action of the prime contractor;
3. The listed SEDB subcontractor fails or refuses to meet the prime contractor's reasonable, nondiscriminatory bond requirements.
4. The listed SEDB subcontractor becomes bankrupt, insolvent, or exhibits credit unworthiness;
5. The listed SEDB subcontractor is ineligible to work on public works projects because of suspension and debarment proceedings or applicable state law;
6. The City-Parish Purchasing Division has determined that the listed SEDB subcontractor is not a responsible contractor;
7. The listed SEDB subcontractor voluntarily withdraws from the project and provides to the City of Baton Rouge and Parish of East Baton Rouge Purchasing Division written notice of its withdrawal;
8. The listed SEDB is ineligible to receive SEDB credit for the type of work required;
9. A SEDB owner dies or becomes disabled with the result that the listed SEDB contractor is unable to complete its work on the contract;
10. Other documented good cause that the City-Parish Purchasing Division determines compels the termination of the SEDB subcontractor. Provided, that good cause does not exist if the prime contractor seeks to terminate a SEDB it relied upon to obtain the contract so that the prime contractor can self-perform the work for which the SEDB contractor was engaged or so that the prime contractor can substitute another SEDB or non- SEDB contractor after contract award.
11. Before transmitting to the City-Parish Purchasing Division its request to terminate and/or substitute a SEDB subcontractor, the prime contractor must give notice in writing to the SEDB subcontractor, with a copy to the City-Parish Purchasing Division, of its intent to request to terminate and/or substitute, and the reason for the request.
12. The prime contractor must give the SEDB five days to respond to the prime contractor's notice and advise the City-Parish Purchasing Division and the contractor of the reasons, if any, why it objects to the proposed termination of its subcontract and why the City-Parish Purchasing Division should not approve the prime contractor's action. If required in a particular case as a matter of public necessity (e.g., safety), the City-Parish Purchasing Division may provide a response period shorter than five days.
13. In addition to post-award terminations, the provisions of this section apply to pre-award deletions of or substitutions for SEDB firms put forward by offerors in negotiated procurements.
14. After Good Cause is demonstrated by the Contractor and approved by the Purchasing Division, the contractor must make good faith efforts to replace a SEDB that is terminated with another certified SEDB, to the extent needed to meet the contract goal.
15. In this situation, we will require the prime contractor to provide copies of new or amended subcontracts, or documentation of good faith efforts. If the contractor fails or refuses to comply in the time the City-Parish Purchasing-SEDBE Division specified, our contracting office will issue an order stopping all or part of payment/work until satisfactory action has been taken. If the contractor still fails to comply, the contracting officer may issue a termination for default proceeding.

During the performance of this contract, the CONTRACTOR agrees as follows:

- a. The CONTRACTOR will not discriminate against any employee or applicant for employment because of race, color, religion, sex, sexual orientation, gender identity, or national origin. The CONTRACTOR will take affirmative action to ensure that applicants are employed, and that employees are treated during employment without regard to their race, color, religion, sex, sexual orientation, gender identity, or national origin. Such action shall include, but not be limited to the following: Employment, upgrading, demotion, or transfer; recruitment or recruitment advertising; layoff or termination; rates of pay or other forms of compensation; and selection for training, including apprenticeship. The CONTRACTOR agrees to post in conspicuous places, available to employees and applicants for employment, notices to be provided setting forth the provisions of this nondiscrimination clause.
- b. The CONTRACTOR will, in all solicitations or advertisements for employees placed by or on behalf of the CONTRACTOR, state that all qualified applicants will receive consideration for employment without regard to race, color, religion, sex, sexual orientation, gender identity, or national origin.

- c. The CONTRACTOR will not discharge or in any other manner discriminate against any employee or applicant for employment because such employee or applicant has inquired about, discussed, or disclosed the compensation of the employee or applicant or another employee or applicant. This provision shall not apply to instances in which an employee who has access to the compensation information of other employees or applicants as a part of such employee's essential job functions discloses the compensation of such other employees or applicants to individuals who do not otherwise have access to such information, unless such disclosure is in response to a formal complaint or charge, in furtherance of an investigation, proceeding, hearing, or action, including an investigation conducted by the employer, or is consistent with the CONTRACTOR's legal duty to furnish information.
- d. The CONTRACTOR will send to each labor union or representative of workers with which he has a collective bargaining agreement or other contract or understanding, a notice to be provided advising the said labor union or workers' representatives of the CONTRACTOR's commitments under this section, and shall post copies of the notice in conspicuous places available to employees and applicants for employment.
- e. The CONTRACTOR will comply with all provisions of Executive Order 11246 of September 24, 1965, and of the rules, regulations, and relevant orders of the Secretary of Labor.
- f. The CONTRACTOR will furnish all information and reports required by Executive Order 11246 of September 24, 1965, and by rules, regulations, and orders of the Secretary of Labor, or pursuant thereto, and will permit access to his books, records, and accounts by the administering agency and the Secretary of Labor for purposes of investigation to ascertain compliance with such rules, regulations, and orders.
- g. In the event of the CONTRACTOR's noncompliance with the nondiscrimination clauses of this contract or with any of the said rules, regulations, or orders, this contract may be canceled, terminated, or suspended in whole or in part and the CONTRACTOR may be declared ineligible for further Government contracts or federally assisted construction contracts in accordance with procedures authorized in Executive Order 11246 of September 24, 1965, and such other sanctions may be imposed and remedies invoked as provided in Executive Order 11246 of September 24, 1965, or by rule, regulation, or order of the Secretary of Labor, or as otherwise provided by law.
- h. The CONTRACTOR will include the portion of the sentence immediately preceding paragraph (1) and the provisions of paragraphs (1) through (8) in every subcontract or purchase order unless exempted by rules, regulations, or orders of the Secretary of Labor issued pursuant to section 204 of Executive Order 11246 of September 24, 1965, so that such provisions will be binding upon each subcontractor or vendor. The CONTRACTOR will take such action with respect to any subcontract or purchase order as the administering agency may direct as a means of enforcing such provisions, including sanctions for noncompliance:

Provided, however, that in the event a contractor becomes involved in, or is threatened with, litigation with a subcontractor or vendor as a result of such direction by the administering agency, The CONTRACTOR may request the United States to enter into such litigation to protect the interests of the United States.

The applicant further agrees that it will be bound by the above equal opportunity clause with respect to its own employment practices when it participates in federally assisted construction work: Provided, that if the applicant so participating is a State or local government, the above equal opportunity clause is not applicable to any agency, instrumentality or subdivision of such government which does not participate in work on or under the contract.

The applicant agrees that it will assist and cooperate actively with the administering agency and the Secretary of Labor in obtaining the compliance of contractors and subcontractors with the equal opportunity clause and the rules, regulations, and relevant orders of the Secretary of Labor, that it will furnish the administering agency and the Secretary of Labor such information as they may require for the supervision of such compliance, and that it will otherwise assist the administering agency in the discharge of the agency's primary responsibility for securing compliance.

The applicant further agrees that it will refrain from entering into any contract or contract modification subject to Executive Order 11246 of September 24, 1965, with a contractor debarred from, or who has not demonstrated eligibility for, Government contracts and federally assisted construction contracts pursuant to the Executive Order and will carry out such sanctions and penalties for violation of the equal opportunity clause as may be imposed upon contractors and subcontractors by the administering agency or the Secretary of Labor pursuant to Part II, Subpart D of the Executive Order. In addition, the applicant agrees that if it fails or refuses to comply with these undertakings, the administering agency may take any or all of the following actions: Cancel, terminate, or suspend in whole or in part this grant (contract, loan, insurance, guarantee); refrain from extending any further assistance to the applicant under the program with respect to which the failure or refund occurred until satisfactory assurance of future compliance has been received from such applicant; and refer the case to the Department of Justice for appropriate legal proceedings.
