RFQ-0000002891: Supplemental Labor for Boiler Maintenance - Term Contract

1. Are suppliers required to provide all of the boiler PM kits for this contract?

Yes, on the new contract we will order all parts needed for repairs.

2. Does this contract require onsite workers 5 days a week?

LSU anticipates the need for an employee to be provided 5 days a week, but on site participation is based on needs of our campus. The frequency and duration of on-site work may vary based on LSU's operational needs and workload. LSU does not guarantee a minimum number of days or hours of work per week.
