Addendum No. 01

Your reference is directed to RFx Number 3000026700 for the Invitation to Bid (ITB) for the State of Louisiana – Fishing Pamphlets Printing for LDWF, which is currently scheduled to open at 10:00 AM CT on October 08, 2026.

The following change is to be made to the referenced solicitation:

Page 2 of the RFx currently reads: The contract shall be effective for 12 months, beginning July 1st, 2026, and ending June 30th, 2027.

Page 2 of the RFx changed to read: The contract shall be effective for an initial period beginning with the date of award and ending June 30th, 2027.

Replacing Attachment B – Specifications - Pages 1-2 in its entirety.

Replacing Attachment C – Price Sheet - Page 1 in its entirety.

The following are the Vendor's Inquiries received by the deadline date of September 24, 2026, and the State's Responses:

Vendor's Inquiry #1: The bid quantity is 200 TH, and Attachment B, section I, specifies 200,000 copies, but section II requires delivery of 210,000 copies on December 16. Which quantity controls the initial run and pricing? Is any extra quantity separately payable?

State's Response #1: Attachment B has been revised to 200,000 copies. The initial run is 200,000 copies as requested by the Agency; the Agency will request additional printing if needed. Additional printing may be required after the initial delivery of 200,000; if so, it will be paid for separately. However, if the vendor requests additional runs with 200,000 original, it will likely be paid in a single purchase order.

Please see revised Attachment C – Price Sheet for submitting reprint pricing.

Vendor's Inquiry #2: The bid permits a 56-page option without advertising. For that option, what content or blank pages should occupy the 12 pages otherwise reserved for publisher advertising, and does LDWF supply all required content? Please confirm that advertising sales are not required for this option.

State's Response #2: The book will still be 56 pages with or without advertising. LDWF will provide content for those pages if the awarded publisher is not selling advertising space.

Vendor's Inquiry #3: The stated contract begins July 1, 2026, before the October 8 opening. Please confirm the intended effective date and whether the October 13 copy, November 10 proof, November 17 approval, and December 16 delivery dates remain controlling

State's Response #3: The Contract shall be effective beginning with the date of award, and the production schedule is fixed and critical, with the goal of receiving the book before year-end for distribution to begin in early January.

Per Revised Attachment B, Page 2, II. Production Schedule: October 16, 2026, is the day Camera-ready copy will be supplied to the publisher.

Vendor's Inquiry #4: Could you please provide the previous contract/PO number, previously awarded vendor, and previously awarded amount for this service?

State's Response #4: The previous PO#2000761155 was awarded to J.F. Griffin Publishing for \$38,850.00.

All else remains as in the original Invitation to Bid.

THIS ADDENDUM IS HEREBY OFFICIALLY MADE A PART OF THE REFERENCED SOLICITATION.
