INVITATION TO BID

LONG-TERM DISABILITY INSURANCE

SCOPE OF BID

The purpose of this bid is to establish a contract for long-term group disability insurance for the physicians' interns, residents, and fellows of Louisiana State University Health Sciences Center-Shreveport (LSUHSC-S) who are training in Shreveport and its affiliated sites.

TERMS OF THE CONTRACT

This bid is to be effective for a period of three (3) years from date of award. At the option of LSUHSC-S and acceptance by the vendor, this bid can be renewed for two (2) additional twelve (12) month periods at the same prices and terms.

All prices are to be firm for the contractual period; but wherever there is a general reduction in price, which is lower than the contract price, said reduction shall be presented directly to LSUHSC-S.

Approximate quantities as set forth are estimated, and the successful bidder shall supply at bid prices actual requirements as ordered whether the total of such requirements are more or less than the quantities shown. No specific quantities are guaranteed. Only those quantities required will be ordered.

THE UNIVERSITY RESERVES THE RIGHT TO CANCEL THIS CONTRACT WITH A 30-DAY WRITTEN NOTICE.

FISCAL FUNDING:

The continuation of the contract is contingent upon the continuation of an appropriation of funds by the Legislature to fulfill the requirements of the contract. If the Legislature fails to appropriate sufficient monies to provide for the continuation of the contract, or if such Appropriation is reduced by the veto of the Governor or by any means provided in the Appropriations Act or Title 39 of the Louisiana Revised Statutes of 1950 to prevent the total appropriation for the year from exceeding revenues for that year, or for any other lawful purpose, and the effect of such reduction is to provide insufficient monies for the continuation of the contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

All bidders should be aware that our legislative process is such that it is often impossible to give prior notice of the non-appropriation of funds.

TERMINATION:

Termination of the Contract for Convenience:

The State may terminate the contract at any time by giving thirty (30) days written notice to contractor of such termination or negotiating with the Contractor an effective date.

The Termination of the Contract for Cause:

The State may terminate the contract for cause based upon the failure of Contractor to comply with the terms and/or conditions of the contract, or failure to fulfill its performance obligations pursuant to this ITB, provided that the State shall give the Contractor written notice specifying the Contractor's failure. If, within thirty (30) days after receipt of such notice, the Contractor shall not have corrected such failure or in the case of failure which cannot be corrected in thirty (30) days, begun in good faith to correct such failure and thereafter proceeded diligently to complete such correction, then the State may, at its option, place the Contractor in default and the contract shall terminate on the date specified in such notice.

The Contractor may exercise any rights available to it under Louisiana Law to terminate for cause upon the failure of the State to comply with the terms and conditions of the contract, provided that the Contractor shall give the State written notice specifying the State's failure and a reasonable opportunity for the State to cure the default.

1.8 Discriminatory Practices

Both LSUHSC-S and the bidder shall abide by the requirements of the Title VII of the Civil Rights Act of 1964 and shall not discriminate against employees or applicants due to race, color, religion, sex, handicap, or national origin. Furthermore, both parties shall take affirmative action pursuant to Executive Order 11246 and the National Vocational Rehabilitation Act of 1974, to provide for positive posture in employing and upgrading persons without regard to race, color, religion, sex, handicap or national origin, and shall take affirmative action as provided in the Vietnam Era Veteran's Readjustment Act of 1974. Both parties shall abide by the requirements of Title VI of the Civil Rights Act of 1964 and the Vocational Rehabilitation Act of 1974, to ensure that services are delivered without discrimination due to race, color, national origin or handicap. Both parties shall comply with the requirements of the Americans with Disabilities Act of 1990 and with the State of Louisiana's Executive Order 4EWE 92-7, which bans discrimination in employment or in delivery of services on the basis of sexual orientation.

This ITB, if awarded, shall create a contract between LSUHSC-S and the successful bidder that shall begin on the date of award and continue for twenty-four (24) months. At the option of LSUHSC-S and acceptance by the supplier, this bid can be renewed for three (3) additional twelve (12) month periods. LSUHSC-S will consider price increases in the renewal years which do not exceed the increase in the Consumer Price Index.

The continuation of this contract is contingent upon the appropriation of funds to fulfill the requirements of the contract by the Legislature. If the Legislature fails to appropriate sufficient monies to provide for the continuation of this contract, the contract shall terminate on the date of the beginning of the first fiscal year for which funds are not appropriated.

PART II - EVALUATION SELECTION AND AWARD

2.0 Introduction

The selection of the successful bidder will be based on the best prices offered for the coverage described and required by the ITB and whose submission meets or exceeds all material and mandatory aspects of the invitation.

2.1 Evaluation and Selection

All valid bid responses received by the scheduled bid opening date and time shall be evaluated by the LSUHSC-S Purchasing Department and the Office of Graduate Medical Education.

2.1.1 Basis of Evaluation

The basis of the evaluation shall be the following:

- a. The bid must meet or comply with all mandatory administrative requirements. Failure to meet those requirements shall result in the bid being rejected without further consideration.
- b. This bid will then be examined to determine if the insurance company and the agent meet the mandatory criteria established in the ITB. Any bid from an insurance company or agent that does not meet these requirements will be rejected without further consideration.
- c. The final consideration shall be the cost of the policy to the covered individuals. LSUHSC-S will seek to select a policy with the lowest rates for all covered individuals; i.e., a policy that represents the best overall value.

- d. The determination of what policy represents the best value will be solely reserved by the LSUHSC-S Office of Graduate Medical Education.
- e. LSUHSC-S reserves the right to require additional information from bidders, to clarify bid responses, and to conduct any additional investigations that may be required to determine bidder responsibility.

2.2 Bid Award

Upon completion of the bid evaluation, the successful bidder will be expected to enter into a contract with LSUHSC-S. The contract will incorporate, by reference, the contents of the original ITB and addendum issued pursuant to the ITB and the contents of the successful bidder's bid response.

PART III – DISABILITY INSURANCE POLICY SPECIFICATIONS
