ADDENDUM #1

October 16, 2026

RE: Bid Number 50012-667-27: Building Equipment Addition at the Institute for Micromanufacturing

The following information is provided to amend the original invitation to bid on October 2, 2026.

- The roof on the Institute for Micromanufacturing was installed by Terry's Roofing and Sheet Metal of Bossier City, LA with an acceptance date of November 4, 2024 with a warranty period of twenty (20) years.

THE FOLLOWING MODIFICATIONS AND/OR CLARIFICATIONS SHALL BE MADE TO THE DRAWING AND PROJECT MANUAL FOR THE CAPTIONED PROJECT:

MECHANICAL

DRAWINGS

1. **Sheet 2:**
 - a. Provide 1 ½" ball valve and union at connection to equipment air header.
 - b. Provide 1" ball valve and union at connection to equipment DI water connection point.

EQUIPMENT APPROVALS

The following manufacturers are approved as substitutes for the items listed, subject to compliance with drawings, specifications, space limitation requirements, and comparison to the specified unit:

1. **Ventilation Fan #1:**
 - a. Twin City TFE series lab exhaust fan

All other specifications remain unchanged.

Sincerely,

Clint Williams
