Line 18 – Tanks self-contained servicing, two week (100): 1 service per unit (we read the 100 as 100 service visits). If instead it is 100 tanks serviced over two weeks, that would be about 12 each.
Line 19 – Command center servicing (30): 30 service visits total (the specifications estimate 15–20) service days day after each parade
Lines 20 & 21 – Family Gras handwash and sanitizer stations (20 each): 3. The bid lines say "5 day rental"; if serviced all 5 days, that would be 5. Twice a Day for each Event Day makes 6

2. 2027 parade schedule. Is the 2027 schedule available? We are assuming the Eastbank parades run about Jan 29 – Feb 9 on the Veterans route, with two Westbank parades (Music and Nandi) in Marrero, Little Rascals the week before, and St. Patrick's and Irish Italian in March. If any of that differs, our service counts would change. This is correct. Please see attached Mardi Gras schedule.

3. Tanks on lines 17 and 18. The specifications (page 6) say the vendor will "deliver, service daily and maintain" 250-gallon tanks for these lines, while Addendum 1 says they are for servicing parish-owned restroom trailers. Does the vendor supply the tanks, or only service parish-owned trailers? The vendor will service the 250 gallon stand alone tanks as well as service Parish owned restroom trailers.

Donna Evans
