Bidder Inquiries:
The State shall not and cannot permit an open-ended inquiry period, as this creates an unwarranted delay in the procurement cycle and operations of our Agency customers. An inquiry period is hereby firmly set for all interested bidders to perform a detailed review of the bid documents and to submit any written inquiries relative thereto. *Without exception,* all inquiries MUST be submitted in writing by an authorized representative of the bidder, clearly cross-referenced to the relevant bid section. Thereafter, all bid documents, including but not limited to the specifications, terms, conditions, plans, etc., will stand as written and/or amended by any addendum. No negotiations, decisions, or actions shall be executed by any bidder as a result of any oral discussions with any state employee or state consultant. addenda that may be issued. The Office of State Procurement is not responsible for a bidder's failure to download any addenda documents required to complete the bid.

*Note: LaPAC is the State's online electronic bid posting and notification system resident on State Procurement's website. In that LaPAC provides an immediate e-mail notification to subscribing bidders that a solicitation and any subsequent addenda have been let and posted, notice and receipt thereof is considered formally given as of their respective dates of posting.

To receive the email notification, vendors must register in the LaGov portal. Registration is intuitive.

Help scripts are available on the Office of State Procurement's website under Vendor Resources.

4. **Substitutes:**

Only brands and numbers stated in the award are approved for delivery under the contract and any substitution must receive prior written approval of the Office of State Procurement.

5. **Prices:**

Prices shall be complete, including transportation/freight charges prepaid by the Bidder to the destination. Prices should be quoted in the unit (each, box, case, hour, flat, mile, etc.) as specified in this solicitation.

6. **Acceptance:**

In no case will the State Agency refuse to make partial payments to the Contractor although all items have not been delivered. This payment in no way relieves the Contractor of his responsibility to effect shipment of the balance of the order. Payment will be to the vendor and to the address as shown on the purchase order.

9. **Late Payments:**

Interest due by a State Agency for late payments shall be in accordance with La. R.S. 39:1695 at the rates established in La. R.S. 13.4202.

A separate invoice for each order delivered and accepted shall be submitted by the Contractor in duplicate directly to the accounting department of the Using Agency. Invoices shall show the amount of any cash discount and shall be submitted on the Contractor's own invoice form.

12. **Delivery of the Essence:**

Delivery is of the essence and the State reserves the right to award to that vendor which provides the earliest possible delivery from the date of award. The State also reserves the right to reject any and all vendors who cannot make delivery within 21 days from the date of award.

Specify delivery days from the date of award: _____.

13. **Repurchase:**

The State of Louisiana, with the acceptance of the contractor, reserves the right to repurchase the listed item(s) at the same price, terms and conditions shown for a period of 1 year from the date of the original purchase order.

14. **Electronic Vendor Payment Solution:**

In an effort to increase efficiencies and effectiveness as well as be strategic in utilizing technology and resources for the State and Contractors, the State intends to make all payments to Contractors electronically. The LaCarte procurement card will be used for purchases of $5,000 and under, and where feasible, over $5,000. Contractors will have a choice of receiving electronic payment for all other payments by selecting the Electronic Funds Transfer (EFT). If you receive an award and do not currently accept the LaCarte card or have not already enrolled in EFT, you will be asked to comply with this request by choosing either the LaCarte Procurement Card and/or EFT. You may indicate your acceptance below.

The LaCarte Procurement Card uses a Visa card platform. Contractors receive payment from State agencies using the card in the same manner as other Visa card purchases. Contractors

cannot process payment transactions through the credit card clearinghouse until the purchased products have been shipped or received or the services performed.

For all statewide and agency term contracts:
Under the LaCarte program, purchase orders are not necessary. Purchase orders must be placed against the net discounted products of the contract. All contract terms and conditions apply to purchases made with LaCarte.

If a purchase order is not used, the Contractor must keep on file a record of all LaCarte purchases issued against the contract during the contract period. The file must contain the particular item

number, quantity, line total and order total. Records of these purchases must be provided to the Office of State Procurement upon request.

EFT payments are sent from the State's bank directly to the payee's bank each weekday. The only requirement is that you have an active checking or savings account at a financial institution that can accept Automated Clearing House (ACH) credit files and remittance information electronically. Additional information and an enrollment form is available by contacting the Office of Statewide Reporting & Accounting Policy at doa-osrap-eft@la.gov.

To facilitate this payment process, you will need to complete and return the EFT enrollment form.

If an award is made to your company, please check which option you will accept or indicate if you are already enrolled.
